

Southwest Women's  
**CHORUS**  
**AUDITIONS!**

Come out and become a part of something special. The Southwest Women's Chorus is the place to be when you have a love for music, would like to learn more and build upon that love, and want to meet others that share that same love. We have two big concert seasons, **Spring** and **Fall**. *This Fall*, join us for our annual Christmas in the Air concert. Our director always picks a fun, eclectic group of songs that are entertaining for the audience, and fun to sing! If you enjoy singing and would like to dedicate time in a great group of ladies, please come and audition. The camaraderie of others that love to sing is amazing! We meet Tuesday nights during the season from 7-10pm.
